

How to Study Abroad as a Biology Major

Taking Biology courses:

- ✔ Plan to complete BIOL 101 and 102 before studying abroad; BIOL 200 is also highly recommended
- ✔ Submit to Biology Chair or Associate Chair by **Sept 15th** for Spring study abroad or **Feb 15th** for Fall study abroad - no exceptions:

- ✔ HU Study Abroad Course Approval Form
- ✔ Biology Course Substitution Form
- ✔ Full course syllabus from the study abroad program

- ✔ Allow 3-6 weeks for processing
- ✔ Biology contacts:
courtney.robinson@howard.edu
shaolei.teng@howard.edu

Not taking Biology courses:

- ✔ Complete HU Study Abroad Course Approval Form
- ✔ Get completed application signed by Biology advisor, Chair, or Associate Chair
