

# How to Earn Biology Credits during Study Abroad (*non-majors/minors ONLY*)

- ✔ Typically, credit is only granted for courses for which prerequisites have been met
- ✔ If you never taken a college-level Biology course, then study abroad courses similar to BIOL 003 or BIOL 101 are the most appropriate to take for HU Biology credit
- ✔ Submit an email to the Biology Chair and Associate Chair that includes:
  - ✔ HU Study Abroad Course Approval Form
  - ✔ Full course syllabus from the study abroad program
  - ✔ Allow 3-6 weeks for processing
  - ✔ You will receive an email with a decision
